

# 2<sup>ND</sup> ANNUAL KAYAK RACE & FUN PADDLE

## SATURDAY, MAY 17

Join us to celebrate the beautiful West and Rhode Rivers as we paddle to the Smithsonian Environmental Research Center. Events are planned for serious competitors and recreational paddlers.

### KAYAK RACE

Starts 9:00AM (4 miles)  
Discovery Village, Shady Side

### FUN PADDLE

Starts 9:30AM (2 miles)  
Camp Letts, Edgewater

Stick around and be a part of the **West/Rhode Riverkeeper Annual Wade-In**, following the race at 11:00AM. While you're there, wander around the **Smithsonian Open House on the Bay**—you can learn what you can do to help the Bay, listen to live music, meet the researchers, participate in hands-on activities, and much more. Be sure to stop by our booth to meet the Riverkeeper, too.

We'll have a trailer available to carry you back to your car, in case you don't want to make the return trip under your own steam. Spaces for the paddling events are limited, so please register early. (The race/paddle registration fee is \$15.)

For more information and to register, contact Amy Colhoun, 410.533.9002, or visit our website: [www.westrhoderiverkeeper.org](http://www.westrhoderiverkeeper.org)
